

sustainability

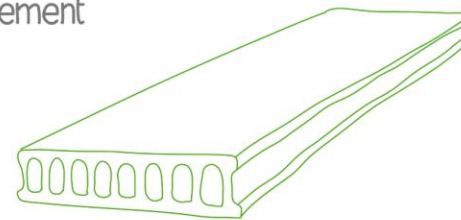

performance

cement quality

- high performance cement
- high strength
 - chemical resistance/durability
 - workability

- special application products
- white cement
 - oil well cement
 - ultra-fine injection cement

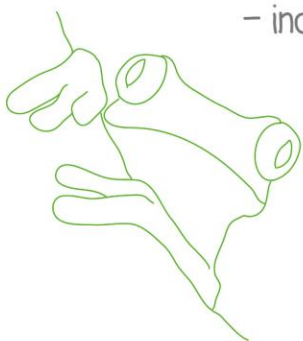

- high productivity in pre-cast manufacturing
- cost efficient cement
 - quick hardening
 - good consistency

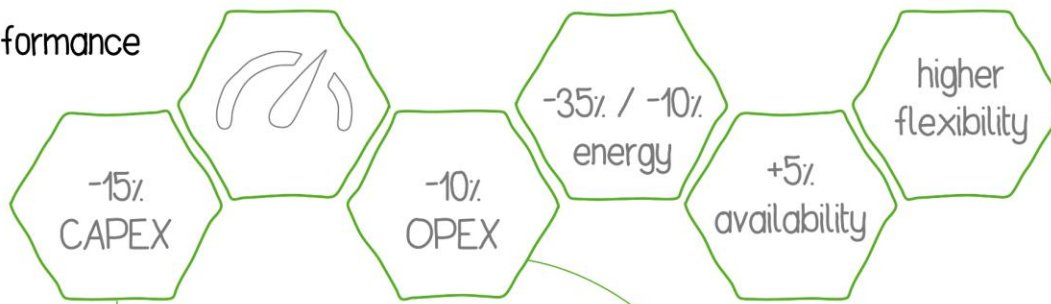

111 Years of LOESCHE
Evolve the Future
 Rudiger Zerbe / Managing Director / LOESCHE GmbH

sustainability

- green cement
- increase of alternative fuels
- emission reduction

performance

reduced CAPEX

- intelligent plant engineering
- reduced civil and steel structure
- financial engineering

reduced OPEX

- maintenance concepts
- wear protection
- spare parts management

LOESCHE SYMPOSIUM

6th - 7th September 2017 / Dusseldorf, Germany
