

your new business model  
for a fast market entry

## Business model for a fast market entry

Pierre Włodarczyk / Manager Business Dev. O&M, CCG & Services / LOESCHE GmbH

obstacles

we know how to produce Cement  
>360.000.000  
tons per year

40% savings  
in energy costs, compared to  
other grinding systems

you need less space  
than a football field
