

A TEC focus and overview
 - pyroprocess optimization
 - consulting service
 - production & assembling

general requirements for alternative fuels

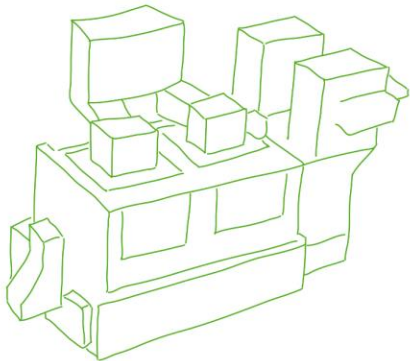

- reduction of fuel costs
- production
- operating costs
- emissions

your reliable partner
 for pyroprocess solutions

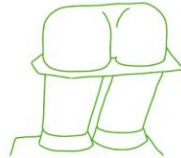

New ways for processing of alternative fuels

Dr. Stefan Kern / Director Sales / A TEC

A TEC rocket mill
 - RM 2.50 double
 - RM 2.0 single (mobile)

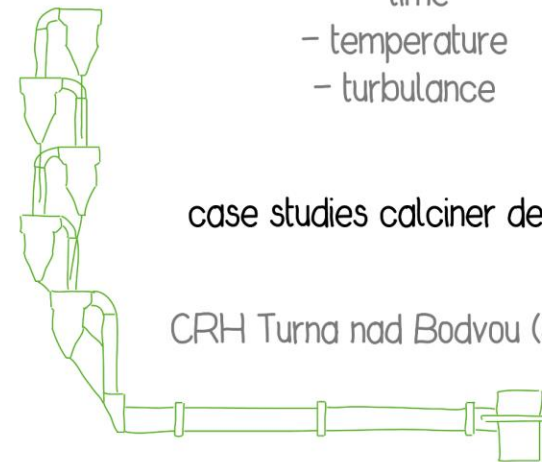

Buzzi Unicem, Hranice (CZ)

Aalborg Portland (DK)

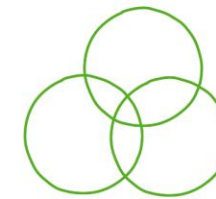

LafargeHolcim, Mannersdorf (AT)

case studies calciner design

CRH Turna nad Bodvou (SK)

3-t criteria
 - time
 - temperature
 - turbulence

alternative fuels
 - fuel specification
 - high quality RDF
 - low Quality RDF
