Loesche America offers a quick, all-inclusive, door-to-door service for the overhaul of hydraulic cylinders. We value your investment and, in return, we guarantee that your cylinders will be rebuilt to Loesche engineering specifications, with the highest quality standards for workmanship.

Rebuild package includes

- Inspection report
- Light honing of cylinder bore
- Installation of OEM seals
- Pressure Testing
- Paint, pack and preserve for long term storage or immediate installation

As needed

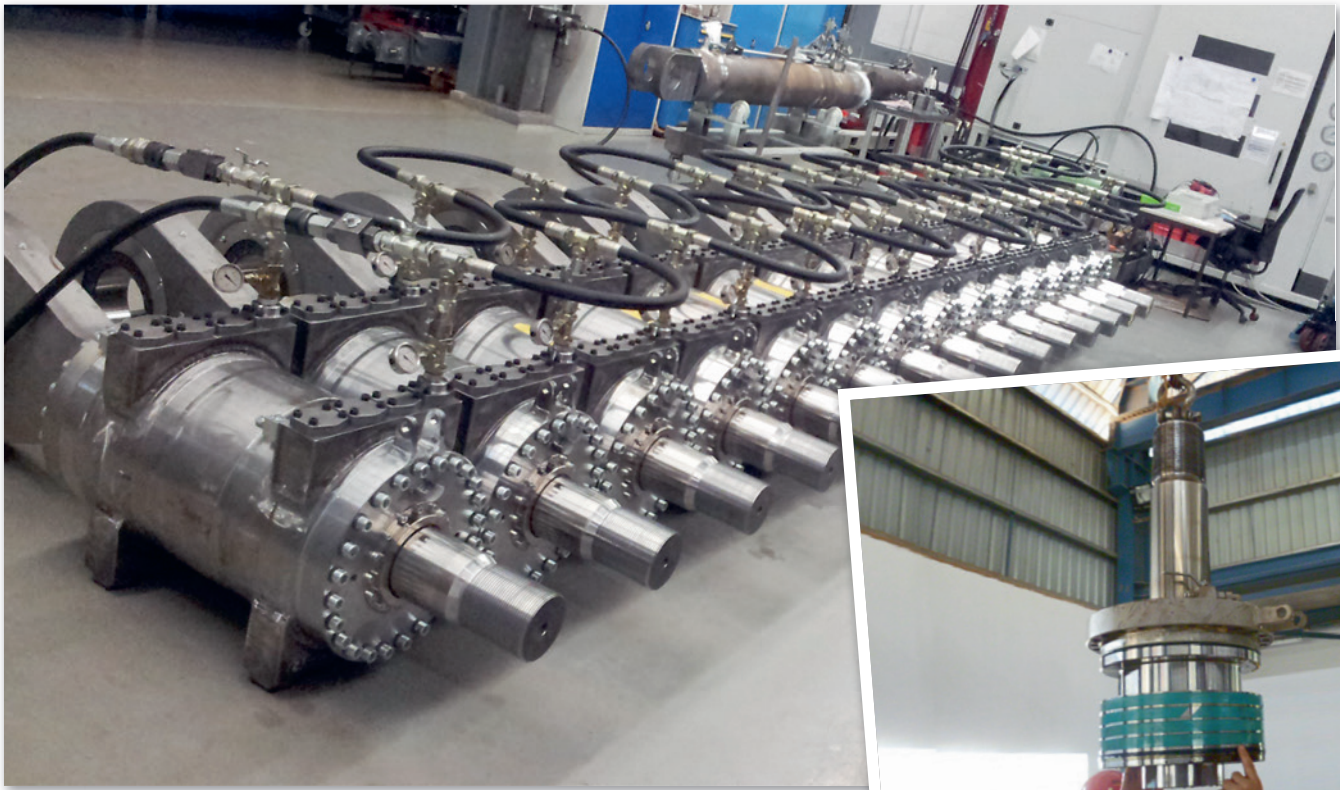

- Bearing replacement
- Re-chroming of piston rod and housing

Benefits & Advantages

- 1 year warranty
- OEM seals & bearings
- OEM tolerances maintained

Optional Services

- Swapping program for ready to go stand by cylinders
- Shipping to and from repair facility
- Dismounting and reinstallation at mill
