LOESCHE [®]
America, Inc.

Loesche America offers a quick, all-inclusive, door-to-door service for the overhaul of Grinding Rollers. Because we value your investment, we guarantee that your rollers will be rebuilt to Loesche engineering specifications, with the highest quality standards of workmanship.

Rebuild package includes

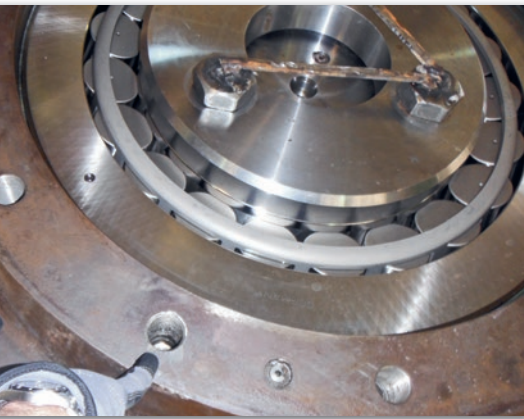

- Inspection report
- Verification of critical hub and axle tolerances
- Installation of new OEM slip ring oil seals according to OEM specified pre-tension
- Bearing replacement (as needed)
- Bolts torqued to specification and locked
- Packing for long term storage or immediate installation

Benefits & Advantages

- 1 year warranty
- OEM seals & bearings
- OEM tolerances maintained

Optional Services

- Shipping to and from repair facility
- Dismounting and reinstallation at mill
